(Important Notes)

- Our mail system will not accept mails larger than 10MB (depending on how your mail is routed, smaller mails may be rejected before reaching us). We advise you to kindly send each application separately, to compress files before attaching and / or to use an outside storage system.
- We have noticed several cases where scanning process was not properly executed. Please recheck the result of scan before sending.

(2) Examination of the required documents by Josai together with the embassy of your country in Tokyo (April / May).

We ask the applicants to express their commitment to hard work, and to use this opportunity to enhance their future career possibilities. Also, we hope that they will work in some capacity as a bridge of good will between the two countries in the future.

Other various factors, such as field of study, language ability, balance of the number of students among the home universities of applicants, etc. may be considered.

Students will receive notification of selection result from Josai via their home university (late May / early June).

Students should then contact the International Education Center, Josai University (shown above) and prepare their visit to Japan.

(3) Students to arrive in Japan (September).
