

Foreign Trade University, Vietnam, (FTU) is one of the most prestigious universities in Vietnam, an emerging country in South East Asia. Established in 1960, FTU has gained enormous achievement in providing talented and high-quality human resources to the economy and thus made great contribution to the industrialization, modernization and global economic integration of Vietnam.

FTU offers a wide range of majors in economics, business, business administration, finance and banking and business foreign languages. The main campus is located right in the center of the capital city Hanoi, that offers the conveniences of any urban center with shops, restaurants and entertainment complexes to cater to any taste. The other two campuses are located in Ho Chi Minh city, a hustle and bustle economic center in the South of Vietnam, and in Quang Ninh province, where the world heritage Ha Long Bay is located.

For any students who love to broaden their economic mind and discover the hidden charm of this Oriental country in a short time, joining our International Summer Program at FTU would be warranted. This program is well and neatly designed in two weeks focusing on two main components which provide participants with insights into Vietnam economy via seminars and company visits and cultural highlights through interactive activities. It is promised that this special program would meet any taste of students from different continents who are searching for Asian exposure.
